Time: 10.00am to 3.30pm

The course is being run by Nicky Robertson, one of our own members, who is a very skilled artist with a diverse expertise in many crafts. You will get to grips with drawing a group of objects, with a Lancashire theme, that present some challenges for beginners and intermediates. This will involve drawing different shapes, different surfaces, tricky things like ellipses, shiny things, folded fabric, getting good tones and shading, and so forth. The tutor will provide the paper and basic drawing media, but if you wish to bring in your own drawing kit you are very welcome to.

Please bring in a phone or camera so that you can photograph the objects you are drawing from - then you can finish or develop your work further from your photos.
